

Moran Selects Michael Burns for Internship

HUTCHINSON - Congressman Jerry Moran today announced that Michael Burns of Jetmore is a congressional intern in his Hutchinson office.

"The internship program is a good opportunity for young people to get a better understanding of the federal government," Moran said. "I am happy to have Michael working on behalf of Kansans."

A native of Jetmore, Burns graduated from Jetmore High School in 2001. He will graduate from Kansas State University with a bachelor's degree in agriculture education in May 2006. As a senator in student government, Burns chairs the student privilege fee committee, serves as an Ambassador for the College of Agriculture, and is a member of Blue Key Honorary and the Agriculture Education Club. Burns also served as the Kansas FFA State Secretary from 2001-2002.

"I am really excited about this opportunity to intern for Congressman Moran and help him serve the citizens of Kansas," Burns said. "I am exited about this position because it will allow me to gain valuable knowledge and experience that will help me decide on a career path after college."

In the office, Burns is assisting Congressman Moran with legislative and administrative duties on behalf of the people of Kansas' First Congressional District.

Michael is the son of Jay and Marla Burns of Jetmore.
